

Ayush kumar

I am passionate about my work because I love what I do in my learning. In my beginning of programming this passion led to face many challenges daily and that helps me better to learn it and better understand it. My teacher is playing a big role in my learning phase he always helps me to understand the code and he always pushes me in deeper and deeper concepts to building my coding skill and enhance my knowledge.

Work Experience

INCUPAD INDIA Pvt. Ltd, BACKEND DEVELOPER INTERN

Dec 2023 - Present

- **Led frontend development:** Spearheaded frontend development using React.js and Tailwind CSS for an AI-based chatbot, ensuring dynamic and responsive web applications.
- **Developed and integrated APIs:** Utilized Django to develop and integrate APIs, ensuring seamless communication between frontend and backend, including endpoint handling, authentication, and data manipulation.
- **Enhanced functionality and security:** Implemented Firebase authentication and Google services to enhance functionality and security across the platform.
- **Collaborated with cross-functional teams:** Worked closely with cross-functional teams to align project objectives and ensure successful project delivery.

ACCROSS THE GLOBE , BANAQ , PYTHON DJANGO DEVELOPER INTERN

Feb 2023 - Mar 2024

- **Backend Development with Django:** Developed high-performance backend services for web apps.
- **RESTful API Creation with DRF:** Created and managed RESTful APIs for efficient data exchange.
- **Authentication & Google Sign-In:** Implemented secure authentication with JWT and Google Sign-In for enhanced user experience.
- **AWS Integration & Cloud Management:** Utilized AWS services for efficient cloud storage solutions and management.

ATILLATECHNOLOGY, MULTIPLE PROJECT INTERN

May 2023 - Nov 2023

- **Backend Web Development:** Utilized Django, PHP Laravel, and JavaScript to build robust web applications.
- **Third-Party API Integration:** Integrated Google and Razorpay APIs for enhanced payment processing.
- **Cross-Functional Collaboration:** Collaborated with frontend developers and stakeholders to deliver solutions meeting business objectives.
